Description

The site is the former railway cutting, leading to the western entrance of the Redcliffe Tunnel with a site area of 0.414 Acres. The site has been in occupation as a car park since 1973 and offers 45 spaces in a secure, convenient and central location. available to lease as a whole or in part. The site is level and benefits from a secure gateway entrance to offer dedicated car parking without the risk of general public access. Domestic EV charging can be offered as part of the package. Commercial Charge Point Operator leases will be considered for Electric Vehicle operations.

Location

The site is located in the heart of Bristol, close to the floating harbour, Bathurst Basin and Merchants Quay fronting Guinea Street. The area is home to a mix of historic buildings, hotels, Leisure, Office buildings and the General, which is a recently redeveloped office building delivering high quality residential accommodation.
