Description

The unit has a vehicle maintenance depot, including a steel framed workshop with later installed bracing and single storey storage area. The main workshop has an eaves height of approximately 5.85m, with half and three quarter height loading doors, a concrete slab floor and a mezzanine storage. Front facing facilities include a customer reception, office, staff and WC accommodation. Externally, there is canopied storage. The majority of the site is concrete hardstanding, with a metal fenced yard to the rear.

Location

Located in an industrial estate with excellent road access, the property is approximately 0.7 mile from the A414, which connects directly to the M11 motorway (about 4 miles away), providing access to both the M25 and central London to the south and Cambridge to the north. Harlow town center is around 2 miles away, while Stansted Airport is approximately 11 miles to the northeast. The surrounding area hosts a variety of industrial and commercial occupiers, including logistics companies and trade suppliers.
